

Effective October 1, 2008, only appraisers who are state-certified and meet all other eligibility criteria may apply for placement on the FHA Appraiser Roster. FHA will no longer accept applications from state-licensed appraisers. This change was made to comply with requirements mandated by the Housing and Economic Recovery Act of 2008, which was signed into law on July 30, 2008.

Future changes that will affect licensed appraisers who are currently on the FHA Appraiser Roster will be provided in a mortgagee letter, which will be published shortly and appear on HUD's website.

If you are currently on the roster and need to update your record, including address, phone number, e-mail address or for renewals, please visit <http://www.hud.gov/appraisers> for complete instructions.

Kansas appraisers wanting to upgrade their state license to certified residential or general can download the requirements and all application forms from the Board's website at <http://www.kansas.gov/kreab/licensing>.
